

**REBUILDING LIVES.  
HEALING FAMILIES.  
SUPPORTING RECOVERY.**

Founded in 2012, the HealingUS Foundation, formerly CFC Loud N Clear, was developed in light of the Regan Family's journey through the broken system of addiction treatment.

Daniel was stuck in the cycle.  
*Detox, 30 days in rehab, back to society, relapse.*

After his 7th attempt, Daniel and Lynn sat down at the kitchen table and began building a recovery plan. It worked and more people came to the table for help.

HealingUS Foundation has proudly served over 20,000 families since conception and focuses on affordable extended aftercare programs that are designed to rebuild lives, heal families, and support recovery.

## STRUCTURED SOBER LIVING

The mission of the B-Houses is to serve the community by providing an exceptional sober living environment above industry standards for individuals making a transition from addiction to recovery. B-House's opened in 2015 in Monmouth & Ocean Counties.

Many sober livings lack structure and management that is necessary to guide individuals on a positive path to recovery.

B-Houses are a perfect blend of independence, safety and structure that will keep our residents motivated and focused on their positive life goals.

90% of residents remain in the program for 18 months. HealingUS Foundation's LaunchPad teaches budgeting, credit score, and more to prepare residents for the transition independent living.
